

SEVENTH FRAMEWORK PROGRAMME – ENERGY

JOINT PUBLIC SESSION

of two FP7 projects CEUBIOM and BEE
(Topic: Energy.2007.3.7.1 Harmonisation of Biomass Resource Assessment)

CEUBIOM - Classification of European Biomass Potential for Bioenergy Using Terrestrial and Earth Observations, www.ceubiom.org

BEE – Biomass Energy Europe, www.eu-bee.com

31 March, 2009, 13:00 - 16:30

Hotel Novotel Danube, Budapest

AGENDA

13:00 - 16:30 **Joint public session (draft Agenda)**

Introduction of CEUBIOM and BEE projects. Assessment of progress. Synergies.
Discussion, input from participants
Introduction of other bioenergy related projects (AQUATERRE and others)
Discussion, input from participants
Commission perspective on harmonisation efforts. Overall discussions and remarks.
Conclusions

(14:30 – 15:00 Coffee break)

BACKGROUND

The public session is addressed both to users biomass resource assessments as well as to scientists experts and other stakeholders interested in and working on the development and harmonisation of the methodology for biomass resource assessment with a specific focus on the use of biomass as energy resource. In order to achieve the objective of a harmonisation of the methodology for biomass resource assessments the two project teams seek and offer an information exchange and interaction with third parties that are interested in an increase of the information quality in this field.

REGISTRATION FOR THE EVENT

Please fill in and send your application form by fax to **+36 1 436 9038**
